In inclement weather, heated shelters shall be provided for such purpose, and all work of the Employee shall be performed under mutually agreed safety and sanitary conditions in conformity with Federal, State and Municipal regulations in effect. The Employer also agrees that it will ice the water at the start of each shift.

Paragraph 6. TOOLS AND EQUIPMENT. There shall be no restrictions of the use of any type of machinery, tools or labor-saving devices. Tools, boots, hard hats, rain gear, implements and safety equipment shall be furnished by the Employer and the same shall remain the property of the Employer. Hard hats and safety equip-

ment shall be maintained and worn at all times as directed by the Employer, or at any time the task at hand may be hazardous to the Employee.

Paragraph 7. WORKER'S COMPENSATION. The Employer agrees to provide security for the payment of compensation to Employees injured, in accordance with the provisions of the Illinois Worker's Compensation Act. The Employer shall, upon request of the Union, submit a certificate of compliance evidencing same.

Paragraph 8. NON-DISCRIMINATION. The Employer agrees that there shall be no discrimination against any Employee who may be an officer, steward or member of the Union serving on any committee authorized by the Union.

The masculine gender has been used in this Agreement to facilitate ease of writing and editing and therefore the masculine gender shall include the feminine gender. Whenever the words "he", "him", "his", or "man" is used, they shall be read and construed as "he or she", "him or her", "his or hers", and "man or woman", respectively.

Paragraph 9. RIGHTS OF PARTIES.

a) Business Representatives of the Union shall be allowed to visit all jobs during working hours to interview the Steward or men working on the job.

b) In all tunnel work, the Union shall be recognized as the sole Local of the Laborers' International Union of North America to perform the work classified in Article II of this Agreement.

Paragraph 10. PAYMENT DISPUTES. Notwithstanding this Agreement of the parties that, in principle, disputes should never cause work stoppages, the parties consider an Employer's default in payment of wages, and contributions to the Health and Welfare and Pension Funds to be grounds for an exception to this principle, and provisions for enforcement of it hereafter made; and the Union is, therefore, expressly authorized to cause the

Employees to stop work immediately on any job on which wages admittedly owed are not paid promptly when due. The authorization to cause immediate work stoppage shall not extend to any case where a dispute in good faith exists between the Employer, Employee or Employees as to the amount due. The Employer agrees that no punitive action shall be taken against their Employees, if said Employees refuse to cross a picket line that may be placed on the job or project of their Employer.

Paragraph 11. LIQUIDATED DAMAGES. Payment by the Employer and acceptance by the Employee of less than wage herein stipulated shall be a violation of this Agreement upon the part of each. Upon conclusive proof to the Joint Grievance Committee of such violation, the Employer shall immediately pay the unpaid balance due in accordance with the wage herein stipulated; and in addition thereto, shall pay as directed by the Joint Grievance Committee an amount no less than the fifty percent (50%) of the amount of such pay shortage as just and liquidated damages because of such violation. In cases where an Employee was knowingly complicit in the underpayment of wages, none of the liquidated damages assessed against the Employer shall be awarded to that Employee.

Paragraph 12. KEY MAN. The Employer may utilize no more than one (1) Laborer at a job site as its key man who resides outside the geographic area covered by this Agreement. This limitation shall not apply to any Laborer who works regularly and continuously within the geographic area covered by this Agreement. Exceptions can be made with the parties' mutual agreement in order to obtain reciprocal arrangements with other jurisdictions.

Paragraph 13. ACCESS TO PREMISES. Authorized representatives of the Union shall have access to all construction projects, provided that they first notify the Employer of their arrival, that they do not stop the progress of the project (except to the extent as may be authorized in this Agreement), and provided further that

such representatives fully comply with the visitor and security rules established for the construction project by the general contractor and the owner. It shall be the duty of the Employer to provide adequate passes, as requested by the Union, provided the Employer is able to do so.

Paragraph 14. Public Health Emergencies. In any county or portion thereof covered by this Agreement, if the Illinois Governor declares a public health emergency, and for the duration thereof, the Employer shall abide by recommendations from the Centers for Disease Control (CDC) and the Illinois Department of Public Health (IDPH), and all applicable laws and regulations, for construction worker health and safety. If the Employer fails to timely comply with such requirements after notice from and discussion with the Union (including the District Council if requested), the Union may withdraw employees from any worksite not in compliance herewith.

Article XI STEWARDS

Paragraph 1. The parties agree that the following basic principles apply to the selection of a Job Steward:

1) The Union requires that a Steward must fully protect the interest of the Union.

2) The Employer requires that the Steward be a Laborer who can efficiently perform his duties as a Laborer and will not disrupt the job unnecessarily in discharging his duties as a Steward.

3) To meet the two basic principles agreed to by the parties, it is further agreed:

a) The Job Steward shall be a working Laborer;

b) The Steward shall be selected by the Business Manager of the Union with jurisdiction over the job;

c) In selecting a Steward, preference shall be given to the Union members presently employed in the bargaining unit of the Employer on the specific site, provided, how-

ever, that if, in the judgment of the Business Manager, no presently employed Union member is competent to act as Steward, the Steward shall be selected from outside the bargaining unit. A reason shall be given by the Business Manager why no member is competent. However, the reason shall not infringe upon the right of the Business Manager to select the Steward; and

d) The Union shall have the right to replace any Steward at any time.

The Steward shall be subject to the same terms of employment as any other Employee and said Steward shall not be discriminated against for so acting, and, if qualified, shall remain employed on the job as long as there are other members of the Union employed by the Steward's employer to work on the said job. He shall, however, be subject to removal for cause.

Paragraph 2. Among other duties, one of the duties of the Steward shall be to see to it that every Employee is in compliance with Article III of this Agreement when applicable; Employees shall report to the Stewards any differences or disputes which may arise in connection with the work or any part of it, and the Steward shall report same to the office of the Union.

Article XII

FOREMEN - SUB-FOREMEN

When fewer than five (5) Laborers are employed, then, if in the judgment of the Employer, a Labor Foreman is required upon the work, such Foreman shall be selected by the Employer among the employed Laborers. However, when more than five (5) but less than ten (10) Laborers are employed, the Employer shall be required to select a Laborer as a Labor Foreman. Where more than ten (10) Laborers are employed, the Employer shall be required to select a Laborer as a Sub-Foreman for the first ten (10) Laborers employed thereafter. When a Labor Foreman is in charge of five (5) or more Laborers, his duties will be confined to supervision.

Article XIII
TRAINING AND
APPRENTICE PROGRAM

Paragraph 1. APPRENTICE COMMITTEE. MARBA and the Union shall create a Joint Apprenticeship Training Committee (JATC), consisting of three (3) management and three (3) Union appointees to draft a trust agreement, hire staff, develop apprenticeship standards and oversee implementation of the apprentice program. The Employer hereby adopts and shall be bound by the agreement and declaration of trust established by the JATC for the apprentice program, together with any amendments thereto, which are incorporated by reference herein. The JATC shall have authority to set and enforce penalties for violations of the apprenticeship rules.

Paragraph 2. APPRENTICESHIP AND TRAINING FUND. The Employer shall contribute ninety cents (\$0.90) per hour for each hour worked from June 1, 2021 to May 31, 2022 for all Employees who are covered under this Agreement to the Construction and General Laborers' District Council of Chicago and Vicinity Apprenticeship and Training Fund payable to the Training Fund or a designated appointee at the end of each month and such additional sums as the Union may designate in its sole discretion from its total economic package on June 1, 2022, June 1, 2023, June 1, 2024 and June 1, 2025 under this Agreement. The terms of the trust establishing the Fund are incorporated by reference herein and all terms regarding auditing, assessment, non-payments and grace periods as set out in the Collective Bargaining Agreement regarding payment of Welfare and Pension Fund contributions shall apply as if fully set forth herein for the Construction and General Laborers' District Council of Chicago and Vicinity Apprenticeship and Training Fund.

Paragraph 3. The term of apprenticeship shall be 2,400 hours, or two years, whichever occurs later, or such other duration as is mutually agreed by the Training and

Apprenticeship Fund trustees. All Health and Welfare, Pension, Training Fund, Industry Advancement and other contributions required under this Agreement will commence immediately upon employment of an apprentice. Union affiliation will be required after seven (7) days of employment.

Paragraph 4. The wages per hour paid to apprentices shall be as follows:

1st six (6) months:	60% of journeyman (base) wages
2nd six (6) months:	70% of journeyman (base) wages
3rd six (6) months:	80% of journeyman (base) wages
4th six (6) months:	90% of journeyman (base) wages
After twenty-four (24) months:	100% of journeyman (base) wages

Paragraph 5. The ratio of journeymen to Apprentices shall be six (6) Laborer journeymen to one (1) Laborer apprentice on a company-wide basis, with no more than twenty percent (20%) of Laborers being apprentices on any one job site of the Employer. Employers who employ a maximum of between one (1) and five (5) Laborer journeymen shall be entitled to one (1) Laborer apprentice, who may be assigned to jobsites irrespective of the twenty percent (20%) job site maximum specified in this provision.

Paragraph 6. Referral of apprentices will be through the Local Union with jurisdiction over the job site. Employers requesting apprentices will be assigned an apprentice by the JATC from the available apprentice pool. The JATC can limit the number of apprentices to that which is adequate for current needs and which can be properly trained by the program. Employers may recall their laid off apprentices to work, provided that the Employer complies with the ratios set forth in Paragraph 5. All apprentices must report their hours weekly to the JATC. All apprentices will be required to undergo testing by the JATC for the presence of illegal substances at the time they enter the apprentice program.

Paragraph 7. MANDATORY APPRENTICESHIP. Under the terms described below, all inexperienced Laborers employed under this Agreement shall enter the trade as apprentices. The Joint Apprenticeship Training Committee shall establish the rules and procedures to implement this mandate no later than January 1, 2019.

The mandatory apprenticeship terms shall include the following:

1. Employers shall be allowed to employ the individuals of their choice for apprenticeship, up to the maximum ratios in the Agreement, provided those individuals fulfill the conditions and requirements of the apprentice program. No Employer shall be refused sponsorship of an eligible apprenticeship applicant due to lack of openings in the apprenticeship program. There shall be no limit to the number of apprentices an employer can sponsor provided however that the employer shall not exceed the employment of apprentice ratios contained in the Agreement.
2. Other terms of employment for apprentices shall be as set forth in this Article unless otherwise agreed by the JATC.

Article XIV

SETTLEMENT OF DISPUTES

Paragraph 1. Any dispute concerning the interpretation or application of this Agreement between an Employer and the Union shall be adjusted by the particular Employer and Union, in the first instance. Jurisdictional disputes (that is, competing claims for the assignment of work) are not subject to being processed through this grievance procedure.

Paragraph 2. In the event that the matter is not settled, the Union may file a written grievance, which shall be submitted to a Joint Grievance Committee (hereinafter the "JGC") comprised of three (3) Employer representatives selected by MARBA and three (3) Union representa-

tives selected by the Construction and General Laborers' District Council of Chicago and Vicinity, which shall convene monthly. The JGC shall adopt its own rules of procedure. The Union must file the grievance within forty-five (45) days of the date of the occurrence giving rise to the grievance or when the affected Employee knew or reasonably should have known of the existence of the grievance. Grievances not filed within the forty-five (45) day period are deemed waived and are not subject to being processed through this procedure. The determination of the JGC shall be governed by majority vote, provided that the Employer representatives and Union representatives shall have equal voting power. If decided by majority vote, the grievance determination and any relief determined to be appropriate shall be final and binding upon all parties.

Laborers who prevail in their grievances shall be compensated for two (2) hours lost time to attend the JGC Grievance hearing. Grievances shall be dismissed if the grievant fails to appear at the scheduled hearing and no continuance is granted by the JGC.

Paragraph 3. In the event that the JGC is deadlocked upon the disposition of a grievance, then the Union or the Employer may refer the matter to arbitration by so notifying the other within thirty (30) days of the date of the JGC decision. The moving party shall obtain a list of seven (7) arbitrators from the Federal Mediation and Conciliation Service, provided that all arbitrators maintain their principal office in the Chicago area. The party selected by lot shall strike the first name from the list, then parties shall alternately strike names from the list until one arbitrator remains.

Grievances alleging a violation of Fundamental Principle No. 8 of this Agreement shall be initiated with the designated company official and may be processed under the grievance procedure contained herein or advanced directly to arbitration at the discretion of the Union. Such grievances shall be subject to the same forty-

five (45) day time limitation as provided under this Article. In the event the Union elects to proceed directly to arbitration over a grievance concerning a violation of Fundamental Principle No. 8 of this Agreement said grievance must be referred to an arbitrator within thirty (30) days from the date of filing. The parties to the grievance may agree to extend the time in which the grievance is to be referred to an arbitrator by written mutual agreement. If the Union does not timely elect to proceed directly to arbitration of the grievance, the grievance shall be heard by the JGC and the process set forth in paragraphs 2 and 3 above shall apply.

Paragraph 4. The decision of the arbitrator shall be final and binding upon all parties. The arbitrator shall not be empowered to amend, alter or add to this Agreement. The arbitrator's expenses shall be jointly paid by the Employer and the Local Union between whom the grievance exists.

Paragraph 5. Any party who fails to comply with an award within seven (7) days' notice of an arbitrator's award or the JGC determination shall be responsible for an additional ten percent (10%) liquidated damages on any monetary award and all court costs and reasonable attorney fees actually incurred by the party enforcing the award.

Paragraph 6. With regard to this Article, the Union reserves its right, and it shall not be a violation of this Agreement, for the Union to strike, picket and/or withdraw its Employees from any Employer who fails to pay wages or fringe benefits as required under this Agreement. Except as provided in this Article, there shall be no strike, slowdown, withdrawal of men or other concerted refusal to work by the Union or the Employees during the term of this Agreement. Further, there shall be no lockout by the Employer. The Employer further agrees that no punitive action shall be taken against its Employees if said Employees refuse to cross a picket line that may be placed on the job or project of their Employer.

Paragraph 7. WAGE AUDITS. Where the grievance concerns wages that are reflected in a wage audit showing a pattern or practice of wage underpayment, the grievance must be filed within forty-five (45) days after the Union's receipt of the audit. The recovery of any wages shall be limited to the two-year period preceding the grievance filing date (or three (3) years if so determined for cause by the Joint Grievance Committee). In cases where an Employee was knowingly complicit in the underpayment of wages, that Employee shall be limited to receiving unpaid wages from the last forty-five (45) days and the additional amounts assessed against the Employer shall first be paid to defray the audit costs and thereafter as directed by the Joint Grievance Committee.

**Article XV
ALCOHOL AND SUBSTANCE ABUSE**

The parties incorporate the CISCO Uniform Drug/Alcohol Abuse Program, as modified, attached hereto as Addendum.

It is recognized that some client owners require additional substance abuse procedures to be followed on their projects for all trades, and it shall not be a violation of this agreement for signatory Employers to comply with such procedures, provided prior written notification is given to the District Council.

**Article XVI
APPROVAL**

Paragraph 1. EMPLOYER'S WARRANTY. The Underground Contractors Association and its bargaining association represent and warrant that they are the bargaining agents of all the individual Employers of the Underground Contractors Association who are now or hereafter become members of said Underground Contractors Association and who assign to the Association full authority to negotiate and execute this Agreement.

Paragraph 2. EXECUTION. It is expressly agreed and understood that execution of this Agreement by authorized representatives of the Underground Contractors Association shall be conclusively presumed sufficient legal execution by all individual contractors represented by said Association and that individual executions are not required for this Agreement to be binding on such Contractors.

Paragraph 3. SAVINGS CLAUSE. Any provision contained herein which is contrary to or held to be in violation of any State or Federal Law shall be void and of no force or effect, and this Contract shall be construed as though such void provision were not a part hereof, it being intended that the other provisions of this Contract shall not be affected thereby.

d. Unless an initial positive result is confirmed as positive, it shall be deemed negative and reported by the laboratory as such.

e. The handling and transportation of such specimen will be properly documented through the strict chain of custody procedures.

IV. Rules - Disciplinary Actions - Grievance Procedures

1. **Rules** - All Employees must report to work in a physical condition that will enable them to perform their jobs in a safe and efficient manner. Employees shall not:

However, if a re-assignment is not possible, you will be placed on temporary medical leave until released as fit for duty by a prescribed physician.

4. **Grievance** - All aspects of this policy and program shall be subject to the grievance procedure contained in the applicable collective bargaining agreement.

V. Drug/Alcohol Testing

The parties to this policy and program agree that under certain circumstances, the company will find it necessary to conduct drug and alcohol testing. While “random” testing is not necessary for the proper operations of this policy and program, it may be necessary to require testing under the following conditions:

a. A pre-employment drug and alcohol test may be administered to all applicants for employment. Employees recalled to work by an Employer, and Employees referred to an Employer by the Union who are requested to be tested, shall be compensated at their regular hourly rate of pay for the time required in such testing;

b. A test may be administered in the event a supervisor has a reasonable cause to believe that the Employee has reported to work under the influence, or is or has been under the influence while on the job; or has violated this drug policy. During the process of establishing reasonable cause for testing, the Employee has the right to request his on- site representative to be present;

c. Testing may be required if an Employee is involved in a workplace accident/incident or if there is a workplace injury;

d. Testing may be required as part of a follow-up to counseling or rehabilitation for substance abuse, for up to a one (1) year period.

Each Employee will be required to sign a consent and chain of custody form, assuring proper documentation and accuracy. If an Employee refuses to sign a consent form authorizing the test, ongoing employment by the company will be terminated.

Drug testing will be conducted by an independent accredited laboratory (National Institute on Drug Abuse

and/or College of American Pathology), and may consist of either blood or urine tests, or both as required. Blood tests will be utilized for post accident investigation only.

The company will bear the costs of all testing procedures.

VI. Rehabilitation and Employee Assistance Program

Employees are encouraged to seek help for a drug or alcohol problem before it deteriorates into a disciplinary matter. If an Employee voluntarily notifies supervision that he or she may have a substance abuse problem, the company will assist in locating a suitable Employee assistance program for treatment, and will counsel the Employee regarding medical benefits available under the company or Union health and welfare/insurance program.

If treatment necessitates time away from work, the company shall provide for the Employee an unpaid leave of absence for purposes of participation in an agreed upon treatment program. An Employee who successfully completes a rehabilitation program shall be reinstated to his/her former employment status, if work for which he/she is qualified exists.

Employees returning to work after successfully completing the rehabilitation program will be subject to drug tests without prior notice for a period of one year. A positive test will then result in disciplinary action as previously outlined in this policy and program.

WORK RULES COMMITTEE

The Union and MARBA together shall create a Work Rules Committee consisting of an equal number of members representing each party with no more than three (3) persons from each. Alternate members may be appointed. The purpose of this Committee shall be to consider, discuss, and propose, under appropriate circumstances, Work Rule changes to the Agreements.

No discussions by or meetings of the Committee shall be considered to be a reopening of the Agreements. At all times, the no-strike and no-lockout provisions of the Agreements shall remain in full force and effect.

Any Work Rule changes proposed by the Committee must be ratified by the Union and MARBA.

Side Letter #1

Understanding the importance of verifying the prevailing wage under Illinois law and under the Davis-Bacon Act, the parties have agreed to meet during the contract term to develop a mutually agreeable procedure to provide information necessary to the Illinois Department of Labor to confirm the prevailing wage rate for work performed in the counties covered by their labor agreements.

Side Letter #2

This serves to confirm our discussions during the 2017 labor negotiations concerning Union proposal No. 4, accepted by MARBA, which provides as follows: *“Revise language to state “each hour worked by all Employees who are covered by this Agreement..... “”*

As we discussed, the intent of the proposal is to better enable the fringe benefit funds to seek contributions from those employers who may split hours worked by employees covered by the MARBA agreements; and further, that the intent is not to change which employees are covered by the Agreement. The parties also agreed that the language is not intended to permit employers to “buy” benefits for certain workers by having employees, otherwise not covered by the labor agreements, perform Laborers’ work on an insignificant basis.

To that end, the parties agreed that the Trustees of the fringe benefit funds will formulate a policy that encapsulates the aforementioned intent of the agreed upon language.
