ARTICLE IV FRINGE BENEFITS

4.1 Article IV covers the following Associations: MARBA, the Fox Valley Chapter, Associated General Contractors of America and the Chicago Regional Council of Carpenters United Brotherhood of Carpenters and Joiners of America, covering the counties of McHenry, Kane and Kendall in the State of Illinois.

4.2 The following are Agreements made between the Fox River Valley District Council and the Fox Valley General Contractors Association, and will remain in effect as part of this Agreement with the Chicago Regional Council of Carpenters.

4.3 An Agreement and Declaration of Trust establishing the Carpenters Pension Fund of Illinois.

4.4 An Agreement and Declaration of Trust establishing the Chicago Regional Council of Carpenters Welfare Fund is hereby made a part of this Agreement.

4.5 An Agreement and Declaration of Trust establishing the Chicago Regional Council of Carpenters Apprentice Training Fund, as amended by reference thereto, is hereby made a part of this Agreement.

4.6 An Agreement and Declaration of Trust establishing the MARBA Industry Advancement Fund as amended by reference thereto, is hereby made a part of this Agreement.

4.7 General Contribution Language. The Employers agree that, unless otherwise directed, Pension, Welfare Apprentice Training Fund contributions under this Agreement are to be made to the Chicago Regional Council of Carpenters Welfare Fund and Carpenters Pension Fund of Illinois and the Carpenters Apprentice Training Fund at the hourly rates specified elsewhere in this Agreement, and that such contributions are to be made on behalf of all persons covered by this Agreement for all hours worked by such persons for the Employer. The location these contributions shall be sent to is subject to change by the Chicago Regional Council of Carpenters with written notice to the Employer.

4.8 Supervisor Clause. The bargaining unit shall also include, for purposes of Pension and Welfare Fund Contributions only, such persons in the employ of the Employer referred to herein as "supervisors" as that term is defined in the Labor-Management Relations Act of 1947, as amended, provided that such supervisors:

(a) has heretofore been included as a member of the "bargaining unit" on any basis, under the terms of this collective bargaining agreement, any predecessor collective bargaining agreement, or any other collective bargaining agreement entered into by this Local Union or Regional Council; and

(b) was an employee on whose behalf, within the five year period prior to the effective date of this Agreement, contributions were required to be made or were in fact made to the Carpenters Pension Fund of Illinois and Carpenters Welfare Fund of Illinois for at least 5,000 hours worked.

4.9 It is expressly understood that the purpose of this provision is limited to permitting persons who have participated in the aforesaid Pension and Welfare Funds as members of the bargaining unit to continue to do so upon their promotion to management positions, and is in no respect intended to include such persons within the scope of the bargaining unit for purposes of union membership, collective bargaining, or any other provisions of this Agreement other than provisions governing the payment of pension and welfare contributions.

4.10 It is further understood and agreed that since such supervisors are not subject to the wage provisions of this Agreement and may be paid on a salaried basis, contributions on behalf of such persons to the Pension and Welfare Funds should be on the basis of one hundred sixty (160) hours for each and every month during which such supervisor receives any wages from the Employer.

4.11 Language for Company Owners. It is expressly understood that in the event the Employer is an unincorporated partnership or sole proprietorship, any person who is a partner or sole proprietor of the Employer is ineligible to receive benefits from the Pension and Welfare Funds, and no contributions are payable to those Funds on behalf of such persons. If, on the other hand, the Employer is a corporation, persons who happen to own all or a portion of the stock of said corporation are

"employees" of the Employer and will be considered as included within the bargaining unit for purposes of wages and fringe benefit contributions to the extent that they would qualify as such if they were not shareholders.

4.12 The parties recognize that such individuals employed by corporations which are employers under this Agreement may perform such work which is covered under this Agreement and other work which is not. Some of these employees receive compensation in such a manner that it is difficult or impossible to determine for purposes of fringe benefit contributions are payable on their behalf to the Funds, and this uncertainty has created a need for uniform and consistent rules which would be fair to all concerned. It is therefore agreed that when and employee who is employed by a corporation performs both work covered under the terms of this Agreement and work which is not covered under this Agreement, and if such person is paid on any basis other than at the hourly wage rate specified in this Agreement for all the hours worked by such employee in any capacity whatsoever, and provided further that such employee is:

- (a) a shareholder, officer and/or director of the corporation; or
- (b) a relative (father, mother, son, daughter, brother, sister) of a shareholder, office, and/or director of the corporation.

4.13 The Employer shall be required to make contributions on behalf of such employee on the basis of one hundred sixty (160) hours for each month in which such employee received any compensation from the corporation at the hourly contribution rates established elsewhere in this Agreement.

4.14 Every Employer shall be required to file a properly executed report on the form furnished by the Office of the Administrator of the Welfare, Pension, Industry Advancement Fund and Apprenticeship Funds as reflected by said report. Dues Check-Off shall be included on above report form.

4.15 Forms for the Dues Check-Off are furnished by the Chicago Regional Council of Carpenters and shall be remitted monthly to the Regional Council.

4.16 All reports and payments of contributions due to the respective Fringe Benefit Funds shall be due on the fifteenth day of the month following the month in which the hours were worked, Employers, at the discretion of the Local having jurisdiction, may be required to pay benefits on a weekly basis.

4.17 Any report and payment which is not received in the administrative office by 4:30pm . of the last business day of the month following the month in which the hours were worked shall be considered delinquent.

4.18 All delinquent reports and payments due shall be charged interest at the rate of one and one-half percent (1-1/2%) per month, compounded, for each month, or any portion of a month, that such contribution remains unpaid.

4.19 Any charges to an employer's account for interest, audit fees, attorney's fees, collection costs, etc. shall be considered delinquent if the payment thereof is not received in the administrative office on or before the 30th day following the date on which such charge was made to that employer's account.

4.20 If the actions of any employer force the Trustees to demand a payroll audit to determine an amount due and owing the Fringe Benefits Funds, the costs of such payroll examination shall be at the expense of and charged to such employer.

4.21 If an audit of an employer's payroll records results in the discovery of a substantial discrepancy between the amount due and owing and the amount reported and paid to the Fringe Benefit Funds, the cost of such payroll examination shall be charges to such employer.

4.22 It is specifically agreed that acceptance or any delinquent or false reports and the contributions reflected thereby by the administration of said Funds, shall not constitute a waiver of an administrative assessment which may be due and owing thereon as herein set forth.

4.23 A properly authorized representative of said Funds shall have the right to examine the Employer's payroll records, upon complaint, for the purpose of determining if properly executed reports are being made to said Funds. The representative authorized to make aforesaid examination of payroll records will be furnished proper credentials by the Trustees of said Funds.

4.24 To protect the participating members in the Funds from loss of eligibility for benefits caused by failure of an Employer to make proper contributions, his employees may be removed from the job for the above stated reason. The Employer shall compensate them for all time lost as a result of same.

4.25 If an Employer has failed to pay fringe benefits as provided in this Agreement, the number of hours with respect to which such Employer owes benefit contributions shall be computed by dividing the total dollar amount paid to such employee as compensation for the work involved by the applicable contractual hourly wage rate. The number of hours so determined shall conclusively be presumed to be the number of hours upon which benefit contributions are owed with respect to such employee.

4.26 The Employer shall give notice to the Union and the appropriate Fund office in writing not later than thirty (30) days after the occurrence of any of the following events relating to the Employer occurring after the date thereof:

- a. Formation of partnerships;
- b. Termination of business;
- c. Change of name commonly used in business operation;
- d. Change in form of business organization;
- e. Incorporation of business;
- f. Dissolution of corporation;
- g. Name and business organization of successor;
- h. Admission to or withdrawal from any association operating as a multi-employer bargaining agent with employees covered by this Bargaining Agreement; and
- i. Name and identity of any parent company, subsidiary company or division

4.27 The notice requirements of this Section apply only if the specified events (items a through I above) affect the relationship of the Employer to the bargaining unit.

(b) Each individual company shall submit a current employee list for each selection period to a Third Party Administrator that will computer-generate a list of randomly-selected employees.

(c) Each individual company shall designate the specific day and time within the selection period the sample is to be collected for each employee selected. To ensure the deterrent effect of

random testing, testing shall be spread out through the selection period and include a representative sample of all work days, including weekends and holidays when feasible. In no event shall an employee be required to submit to testing when the employee is not physically present on the jobsite or employer office and engaged in bargaining unit work for the company. Moreover, in order to be tested, the employee must be scheduled to perform bargaining unit work on a jobsite on the date the testing is to occur.

4. Testing Procedures

(a) The cost of all tests, specimen collection and random selection shall be borne by each individual company. Each company shall pay the employee for all time spent complying with Section 32.7, including travel to and from the collection location and time spent for testing. Each randomly-selected employee shall be responsible for getting to and from the collection site in a timely manner. Failure of the employee to get to the testing site in a timely manner shall be deemed a refusal to be tested unless the employee can demonstrate by clear and convincing evidence that the failure to so appear was outside the employee's control. The Employer shall be responsible for transporting any Employee who does not have an individual means of transportation.

(b) Each individual company may elect to have the employee finish his work day at the collection location. Overtime provisions of the Agreement shall apply.

(c) Employees are required to cooperate in all specimen collection and/or testing procedures. This shall include providing a sample either on the job-site or collection location and having in their possession valid picture identification and any testing paperwork given to the employee by the company.

(a) The laboratory performing all tests will be certified for Federal Workplace Drug Testing Programs by the Department of Health and Human Services - Substance Abuse and Mental Health Service Administration (SAMHSA).

(b) Specimen samples shall be collected at the third party administrator collection location or at the job-site by a third party administrator who has been properly trained to collect specimen samples to meet guidelines established by the Department of Transportation.

(c) A split sample shall be secured from each employee tested. When a urine sample is taken, the sample will be collected in a single container and then split into two containers by the collector. When an oral swab is taken, the collector shall swipe into two separate swabs and keep each swab separate.

(d) All initial tests will be tested by the accepted industry standard screening methodology appropriate for the type of specimen. All initial positive tests shall be confirmed by gas chromatography/mass spectrometry (GC/MS) or the appropriate industry standard confirmatory methodology appropriate for the type of specimen.

(e) Urine and/or oral fluids may be tested.

(f) Testing for alcohol shall be at the option of the company. Testing for alcohol shall follow 49 CFR Part 40 Subparts J and K Procedures for Transportation Workplace Drug and Alcohol Testing Programs for the Department of Transportation, as that provision may from time to time be amended.

6. Test Results

(a) Test results that are verified by the MRO as positive or positive dilute shall be handled in accordance with the Agreement, including termination of employment.

(b) Test results that are verified by the MRO as adulterated or substituted as determined by the laboratory and verified by the MRO shall be treated as a positive test result.

(c) Test results that are verified by the MRO as negative dilute shall allow for a new specimen collection and test at the company's discretion. The second test result shall be considered the test of record and the first result disregarded.

(d) Test results that indicate misuse of prescription drugs shall be treated as a positive test result.

(e) A refusal to provide a sample shall be treated as a positive test result.

(f) Specimen samples that cannot be collected, or collected properly due to an uncooperative employee shall be treated as a positive test result and handled in accordance with the Agreement.

(g) In the case of a specimen sample that cannot be collected because an employee does not provide a sufficient amount of urine for the drug test (i.e., 45 ml of urine), the following procedures shall be followed:

(1) The collector must discard the insufficient specimen, except where the insufficient specimen was out of temperature range or showed evidence of adulteration or tampering, in which case the test is treated as a positive or positive dilute test result;

(2) The employee shall be given the opportunity to drink fluids but shall not be forced to drink fluids. The employee shall be informed that he or she has up to three hours to produce an adequate urine specimen, and when that three hour period begins and ends.

(3) If the employee refuses to attempt to provide a new urine specimen or leaves the collection site before the collection process is complete, it is treated as a refusal to test.

(4) If the employee is unable to provide an adequate urine specimen after the conclusion of the three hour period, the collector must immediately inform the employer and follow 49 CFR Part 40.193 Procedures for Transportation Workplace Drug and Alcohol Testing Programs from the Department of Transportation, as that provision may be from time to time amended. The company, at its option, can require testing by an alternate method, including blood or oral fluids.

(5) Test results that indicate a fatal flaw, invalid sample, cancelled test, damage in shipment, defect in collection procedures, laboratory errors shall result in a new specimen collection and test at the company's option.

7. Indemnification and Hold Harmless

The Employer shall release, indemnify and hold the Union including its officers and agents completely harmless from any claims and allegations of loss, damage and injury resulting from the implementation of random testing which is not specifically authorized by the terms of this Article.

8. Policy of Non-Discrimination and Non-Harassment

The Employer is strictly prohibited from using this random testing procedure to either harass or discriminate against any person for any reason.
