BUILDING AGREEMENT**

TERM OF CONTRACT

This AGREEMENT entered into this 1st day of June, 2017, for Cook, DuPage, Lake, Will, Grundy, Kendall, Kane, McHenry and Boone Counties by and between the BUILDERS ASSOCIATION, the MASON CONTRACTORS' ASSOCIATION OF GREATER CHICAGO, and the GREAT LAKES CONSTRUCTION ASSOCIATION represented by the MID-AMERICA REGIONAL BARGAINING ASSOCIATION, hereinafter referred to as EMPLOYER, and CONSTRUCTION AND GENERAL LABORERS' DISTRICT COUNCIL OF CHICAGO AND VICINITY, for and on behalf of its affiliated local Unions, hereinafter referred to as the UNION, shall remain in full force and effect until 11:59 p.m. on May 31, 2021.

If either party wishes to modify this Agreement, it shall serve written notice by certified or registered mail, upon the other party not less than sixty days prior to May 31, 2021 of its intent to begin negotiations for a new Agreement. In the absence of the service of such notice, this Agreement shall automatically renew itself, together with all amendments and improvements as negotiated after said initial expiration date, by and between the parties in area-wide bargaining, from year to year thereafter.

**ARTICLE I
EQUAL OPPORTUNITY**

The parties agree that Employees will not be discriminated against because of race, creed, religion, color, age, sex or national origin.

The masculine gender has been used in this Agreement to facilitate ease of writing and editing and therefore the masculine gender shall include the feminine gender. Whenever the words "he", "him", "his", or "man" is used, they shall be read and construed as "he or she", "him or her", "his or hers", and "man or woman", respectively.

**ARTICLE II
HOURS AND OVERTIME**

Paragraph 1. A single shift, eight (8) hours per day, between the hours of 7:00 a.m. and 3:30 p.m., Monday through Friday, shall constitute the normal workday and straight time shall be paid.

On Monday through Friday, the first eight (8) hours' work shall be paid at straight time, the next four (4) hours at time and one-half, and double time thereafter.

On Saturdays, time and one-half will be paid for the first ten (10) hours worked and double time thereafter. On Sundays, all hours are to be paid at the rate of double time until the start of the Monday shift.

In weeks that have designated holidays that fall during the regular work week, but not more often than six (6) times per year, the Employer may schedule four (4) consecutive ten (10) hour work days at straight time. The Union and the Employees must be informed and the Union must give permission to the Employer in writing.

Paragraph 2. Starting times may be adjusted by the Employer, upon notice to and clearance by the Union, from 6:00 a.m. to 9:00 a.m. at straight time.

It is the Employer's responsibility to inform the Employee and obtain clearance from the Union of any change in starting time prior to quitting time the day before such change is to be effective.

Paragraph 3. During the period between April 1 and November 30, no more than once per calendar month, one designated Saturday may be used as a make-up day, due to inclement weather, at straight time while tending masons; provided, however, that after forty (40) hours have been worked, time and one-half will be paid. Contractors utilizing this provision shall notify the Union in writing, by no later than 4:00 pm on the Friday preceding the make-up day, on a form provided by the Union, specifying the date and location of the make-up work to be performed and the employees so working. An Employer who violates this section shall pay as a penalty double time for all hours worked.

Paragraph 4. When one-night shift is used to perform emergency work which cannot be done during the normal work day, such work shall be paid for at time and one-half for the first eight (8) hours, and double time thereafter.

Paragraph 5. When work to be performed in occupied buildings is of such a nature that it is not appropriate or practical during the regular work day, such as renovation, alteration and modernization, such work may be performed at an adjusted time; provided a pre-job conference takes place, between the Business Manager with jurisdiction over the worksite and the Employer, and permission is granted by the Union. Contractors utilizing the provision shall notify the Union by requesting the pre-job conference on the form provided by the Union.

By mutual consent of the Employer and the Union, the starting and quitting times of any shift, including day work, may be changed for all or any portion of a particular job. However, the adjusted shift shall run a minimum of three (3) consecutive days. All Employees working under this provision shall receive eight (8) hours pay for seven (7) hours worked. Laborers working through lunch on this shift shall be compensated one (1) additional hour of pay in addition to pay for all hours worked. Any and all work in excess of seven (7) hours under this provision shall be paid at the rate of double time. An Employer who violates this section shall pay, as a penalty, double time for all hours worked. Where the adjusted shift runs less than three (3) consecutive days, Laborers shall be paid in accordance with Paragraph 4 (Emergency Work).

ARTICLE III MULTIPLE SHIFTS

Paragraph 1. When it is necessary that the contractor use more than one shift for a period of three (3) or more consecutive days, the Union shall be notified twenty-four (24) hours in advance of the effective date of the starting of such multiple shift operations.

Paragraph 2. On Multiple Shift arrangements, the work week shall start at 12 o'clock midnight Sunday, and continue until 11:59 p.m. Friday. In no event shall the regular working hours of different shifts overlap.

Paragraph 3. When three (3) eight (8) hour shifts are used, the employees shall receive eight (8) hours' pay for seven and one-half (7-1/2) hours worked; which shall include one-half (1/2) hour for eating within the (7-1/2) hours.

It shall be a violation of this Agreement if an Employee does not receive eight (8) hours' pay. Employees who work seven and one-half (7-1/2) hours on a shift without receiving one-half (1/2) hour lunch shall receive, in addition to the eight (8) hours' pay, one (1) hours' pay at time and one-half.

Paragraph 4. When two twelve (12) hour shifts are used, an eating period of one-half (1/2) hour shall be allowed within each shift without deductions in pay, and all time in excess of eight (8) hours shall be paid at the overtime rates, that is to say, the two and one-half (2-1/2) hours immediately following the first eight (8) hours shall be paid for at the rate of time and one-half, and double time thereafter.

Employees who work one of two (2) twelve (12) hour shifts without receiving a one-half (1/2) hour lunch shall receive, in addition to the twelve (12) hours' pay as provided in this Section, one-half (1/2) hour pay at double time.

Paragraph 5. When two (2) eight (8) hour or two (2) ten (10) hour shifts are used, an eating period of one-half (1/2) hour shall be allowed, but not paid for, and all time in excess of eight (8) hours worked shall be paid at overtime rates (that is, two and one-half (2-1/2) hours immediately following the first eight (8) hours shall be paid for at the rate of time and one-half, and double time thereafter).

Paragraph 6. On Saturday, other than single time shift, shift work shall start at 12:01 a.m. and the first eight (8) hours of each shift shall be paid for at the rate of time and one-half, and thereafter double time shall be paid; however, under no conditions shall more than eight (8) hours be worked at the rate of time and one-half on any one shift.

ARTICLE IV SUNDAYS, HOLIDAYS AND ELECTION DAYS

Paragraph 1. All work performed on Sundays or on the following holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day, or on Mondays when such holidays are celebrated, shall be paid for at the double time rate. There shall be no work performed on Labor Day, excepting in case of dire emergency, and with the written consent of the President of the District Council. If a holiday falls on a Sunday, it shall be celebrated on the following Monday. If a holiday falls on a day other than Sunday, it shall be celebrated on that date.

Paragraph 2. On Election Days, the individual employed in this trade shall be allowed time not to exceed two (2) hours, without pay, for the purpose of voting, provided that the worker on the job has given notice to the Employer or his agent and has made arrangements no less than twenty-four (24) hours in advance, to receive such time off.

Paragraph 3. When a holiday falls on Monday through Friday, make-up days on Saturday shall be paid at time and one-half for the first ten (10) hours and double time thereafter.

Paragraph 4. In weeks that have designated holidays that fall during the regular workweek, but not more often than six (6) times per year, the Employer may schedule four (4) consecutive ten (10) hour work days at straight time. The Union and the Employees must be informed and the Union must give permission to the Employer in writing.

ARTICLE V UNION SECURITY

All new Employees shall be required to join the Union after the expiration of seven (7) days of employment or seven (7) days after the execution date of this Agreement, whichever is later, and shall remain members of the Union in good standing as a condition of continued employment.

Good standing shall mean payment of the initiation fees and both working and non-working dues uniformly required as a condition of acquiring or retaining membership in a Local Union. Employees covered by this Agreement at the time it is signed, and who are members of the Union at that time, shall be required as a condition of continued employment, to continue membership in the Union for the duration of this

ARTICLE VI CHECK-OFF & DUES DEDUCTIONS

Paragraph 1. Employers also agree to deduct from the net earnings payable to an Employee covered by this Agreement, initiation fees and quarterly Union dues insofar as permitted by state and federal laws upon receipt and in accordance with a duly executed authorization form from the Employee. Said authorization form shall not be revocable for a period of more than one (1) year or prior to the termination date of this Agreement, whichever occurs sooner.

Paragraph 2. All Employers covered by this Agreement shall deduct from the wages of Employees covered by said contract, working dues in the amount designated by the Union for each hour worked and shall remit monthly to the Union office the sums so deducted, together with an accurate list of Employees from whose wages said dues were deducted and the amounts applicable to each Employee, not later than the 10th day of the month next following the month for which such deductions were made. Dues remittance reports shall include a report of the hours worked and wages earned by each Laborer. Employers who fail to timely remit Union dues shall be assessed an additional ten percent (10%) liquidated damages. The Union shall give thirty (30) days' prior written notice to the Employer of any change in the rate of dues to be deducted and remitted.

Paragraph 3. It is the intention of the parties that such deductions shall comply with the requirements of Section 302(c)(4) of the Labor Management Relations Act of 1947, as amended, and that such deductions be made only pursuant to written assignments from each Employee on whose account such deductions are made, which assignment shall not be revocable for a period of more than one (1) year, or prior to the termination date of this Agreement, whichever occurs sooner.

Paragraph 4. The Union agrees that it will indemnify and hold harmless the Employer from any and all claims, suits, causes of action, or otherwise, as regards the creation and administration of the dues check-off established by this Article and such indemnity and agreement to hold harmless shall include the payment of costs and attorneys' fees on behalf of the beneficiaries of such indemnity.

Paragraph 5. Should any Employer fail to remit dues to the Union as required under this Agreement, the Employer shall be liable for and pay all costs of collection, including reasonable audit expenses and reasonable attorney fees and costs. If, upon the Union's request, the subcontractor chooses to sign a current labor agreement with the Union (although such signing might not be required under Paragraph 1), then the contractor shall be relieved of any liability under this Paragraph 1.

Paragraph 2. The Employer agrees that it will not contract or subcontract any work covered by this Agreement to be done at the site of construction, alteration, painting or repair of a building, structure or other work, except to a person, firm or corporation that is party to the applicable collective bargaining agreement with the Union.

Paragraph 3. If an Employer, bound to this Agreement, contracts or subcontracts any work covered by this Agreement to be done at the jobsite of the construction, alteration, painting or repair of a building, structure or other work to any person or proprietor who is not signatory to this Agreement, the Employer shall require such subcontractor to be bound by all the provisions of this Agreement, or the Employer shall maintain daily records of the subcontractor's or the subcontractor's Employees jobsite hours and be liable for payments to the Health and Welfare Department of Construction and General Laborers' District Council of Chicago and Vicinity, the Laborers' Pension Fund and the Construction and General Laborers' District Council of Chicago and Vicinity Joint Apprentice and Training Trust Fund as provided in Article VIII, Paragraphs 2-3A inclusive, and Article XV of this Agreement.

ARTICLE VIII WAGES

The wage rates include a total economic increase of two dollars and seventeen cents (\$2.17) per hour effective June 1, 2017 to May 31, 2018, two dollars and twenty-four cents (\$2.24) per hour total economic increase effective June 1, 2018 to May 31, 2019, two dollars and thirty-one cents (\$2.31) per hour total economic increase effective June 1, 2019 to May 31, 2020 and two dollars and thirty-nine cents (\$2.39) per hour total economic increase effective June 1, 2020 to May 31, 2021.

The Union shall allocate the total economic increase in its sole discretion, subject to the following: The Union will allocate seventy-five cents (\$.75) in the first year of this Agreement, and twenty-five cents (\$.25) in each of the second, third and fourth years of this Agreement, which will be dedicated only toward reduction in the Laborers' Pension Fund's unfunded liability and will not be used for benefit improvements. Any allocations to the Laborers' Pension Fund in any contract year in excess of the above-stated amounts shall, at the Union's option, be dedicated only toward benefit improvements, provided that the pension fund remains in green fund status as defined by the Pension Protection Act of 2006, or any successor legislation.

The Union agrees that it shall allocate sufficient funds to the pension fund of the Union from the total economic package increases set forth above in each year of this agreement such that the pension fund remains in green status as defined by the Pension Protection Act of 2006, or any successor legislation.

The Employer agrees to be bound by the Agreements and Declarations of Trust establishing the Laborers' Pension Fund, as well as any amendments thereto.

The parties agree that the Employer shall make lump sum contributions to Employee fringe benefit accounts, administered by the Trustees on behalf of each Employee. It is further agreed that such contribution shall be accompanied by a breakdown of payment according to appropriate benefits.

The Trustees of the Welfare Fund and the Trustees of the Pension Fund shall, among other things, have authority to determine the type and amount of benefits to be provided in each of said funds, the eligibility rules governing entitlement to benefits, and whether and to what extent benefits are to be provided for covered Employees.

The failure of the Employer to contribute to the said Welfare or Pension Funds when the same is established, as provided herein, shall for the purposes of the remedies the Union may pursue, be deemed the same as the failure of the Employer to pay wages, and the Union shall be permitted to remove workers whom they represent for non-payment of such contributions, anything to the contrary in this Agreement notwithstanding.

A grace period of thirty (30) days shall be granted for Employers to submit reports and contributions as provided. Said reports and contributions not received during this grace period shall be assessed liquidated damages amounting to ten (10%) percent of the amount of the contributions which are owed. The Employer acknowledges that the liquidated damages shall be used to defer administrative costs arising by said delinquency and acknowledges the costs to be actual and substantial, though difficult to ascertain. However, the Employer acknowledges these costs to be at a minimum of ten (10%) percent, waiving the necessity of any additional proof thereof. In addition, the delinquent contributions shall bear interest at a maximum legal rate of interest per annum from the due date until they are paid.

representative, whenever such examination is deemed necessary for the purpose of compliance with the provisions of this Agreement, including the obligation to remit Union Dues under Article VI.

Each participating Employer shall make its books and records available to the Trustees for such purpose. In the event the audit discloses that the Employer, during the period of the audit, has underpaid its contributions and/or wages, the Employer shall be liable for the costs of the examination, including but not limited to, audit fees and reasonable attorneys' fees. The Trustees' authority to waive any costs shall be governed by the terms of the Trust Agreement.

Article III, Section 2 of the trust agreements of the Health and Welfare Department of Construction and General Laborers' District Council of Chicago and Vicinity and the Laborers' Pension Fund shall be amended to include the following: "Association-appointed Trustees must be full-time Employees of contributing Employers within the Association's membership. A contributing Employer shall be defined as an Employer that has employed an average of five (5) or more Laborers performing bargaining unit work for whom contributions have been made per month in each of the previous three (3) calendar years."

The parties agree that the Health and Welfare Department of Construction and General Laborers' District Council of Chicago and Vicinity and the Laborers' Pension Fund will be operated and administered by a board of trustees that is expanded to include eight (8) Employer and eight (8) Union trustees. Section 415 Excess Benefit Fund. A Section 415 Excess Benefit Fund shall be established for the purpose of providing alternative benefit to any Employees of the Employer who become unable to receive the entire amount of the accrued pension benefits to which they would be entitled under one or more of the pension plans sponsored by their Employer because of limitations established by Section 415 of the Internal Revenue Code. The Employer may be required and directed by the Board of Trustees of the Excess Benefit Fund to contribute a portion of its agreed-upon "pension" contribution to the Section 415 Excess Benefit Fund and shall not increase the Employer's cost beyond the amount that the Employer is obligated to contribute to the Laborers' Pension Fund and that the funding of the Section 415 Excess Benefit Fund shall be fully tax deductible to the Employer for Federal Income Tax purposes. The Employer hereby agrees that the Board of Trustees of any such Section 415 Excess Benefit Fund shall be authorized to determine each year the amount that will be contributed by the Employer and the amount to be credited to the account of any eligible retiree for payment in lieu of accrued benefits that would exceed the limits set by Section 415 of the Internal Revenue Code.

Chicagoland Laborers' Vacation Fund. The Employer agrees to be bound by the Agreements and Declarations of Trust, as well as any amendments thereto, establishing the Chicagoland Laborers' Vacation Fund, a jointly-trusted vacation plan established for the purpose of providing income to members during their winter layoffs. Contributions to the Fund will be allocated in the Union's sole discretion from the total economic increase.

Chicagoland Laborers' Annuity Fund. The Employer agrees to be bound by the Agreements and Declarations of Trust, as well as any amendments thereto, establishing the Chicagoland Laborers' Annuity Fund, a jointly-trusted defined contribution plan providing a supplemental retirement benefit. Contributions to the Fund will be allocated in the Union's sole discretion from the total economic increase.

Paragraph 3A. FOX VALLEY FUNDS RECIPROCITY. Employers that employ Employees who participate in the Fox Valley Laborers' Health and Welfare Fund and Fox Valley and Vicinity Laborers' Pension Fund (collectively "Fox Valley Funds") may contribute directly to these funds in the amounts allocated for the Fox Valley Funds by the Union from the economic package.

Effective June 1, 2017 to May 31, 2018, such an Employer shall contribute for each hour worked thirteen dollars and seventy-seven cents (\$13.77) per hour to the Fox Valley Laborers' Health and Welfare Fund and thirteen dollars and twenty cents (\$13.20) per hour to the Fox Valley and Vicinity Laborers' Pension Fund (twenty-six dollars and ninety-seven cents (\$26.97) per hour in total for each hour worked by all Employees who are covered by this Agreement). The Union in its sole discretion, shall determine the division of additional contributions to be allocated from the economic package to the Fox Valley Funds in future

years, provided that the total amount to be allocated is the same as the total amount allocated to the Health and Welfare Department of the Construction and General Laborers' District Council of Chicago and Vicinity and the Laborers Pension Fund.

Employers contributing to the Fox Valley Funds agree to be bound by the Agreements and Declarations of Trust establishing the Fox Valley Funds, as well as any amendments thereto.

The parties agree that, whenever contributions are made on behalf of an Employee to welfare and pension funds that are not the home funds of the Employee, the funds receiving such contributions, in accordance with the funds' Reciprocity Agreement, shall transfer such contributions to the home funds and the home fund shall reallocate the contributions between such home funds in the amounts set forth herein.

Paragraph 4. SUPERVISORS. To the extent permissible by the Internal Revenue Service or any Federal Act, and for the purposes of Paragraphs 2 and 3 of Article VIII of this Agreement only, the bargaining unit shall also include those persons in the employ of an Employer who are supervisors, as defined in the Labor Management Relations Act, as amended; and who at one time were Employee members of the bargaining unit herein on whose behalf contributions were required to be made to the trust funds described in the aforesaid Paragraph 2 and 3 of Article VIII hereof.

Paragraph 5. OUT OF TOWN WORK. When Laborers who reside or work in the nine-county geographic area covered by this Agreement are voluntarily requested to work at locations outside these nine counties, the Employer shall continue to report and pay benefits for all hours worked outside the nine counties. If the work performed is covered under a labor agreement with the Laborers' International Union of North America or its affiliates, the Employer shall report and pay the benefit contributions to the fringe benefit fund identified, and the contribution rates specified, under that labor agreement. If the work performed is not covered under a labor agreement with the Laborers' International Union of North America or its affiliates, then the Employer shall report and pay the benefit contributions to the fringe benefit funds identified, and the contributions rates specified, under this Agreement. No Employee shall be obligated to accept out of town employment or be subject to retaliation for refusing such work.

Paragraph 6. SPECIAL RULES FOR BONDING. - 3) To meet the two basic principles agreed to by the parties, it is further agreed:
 - a) The Job Steward shall be a working Laborer;
 - b) The Steward shall be selected by the Business Manager of the Union with jurisdiction over the job;

A reason shall be given by the Business Manager why no member is competent. However, the reason shall not infringe upon the right of the Business Manager to select the Steward; and
 - d) The Union shall have the right to replace any Steward at any time.

Paragraph 2. The Steward shall be subject to the same terms of employment as any other Employee, but taking into consideration that the Steward should be present during all working hours, all possible overtime work shall be assigned to all Stewards, if the Stewards do not replace another Laborer from that other Laborers' previously assigned duties.

Nothing herein contained shall in any way restrict the right of any Employer to discharge a Steward for cause, upon notification to the Business Manager of the Local Union who appointed the Laborer to act as Steward.

Paragraph 4. Whenever one or more Laborers are required to work overtime, one of these Laborers shall be the regular designated Steward if he is competent to do the work required or if he cannot work, he will call the Business Manager, and the Business Manager will designate someone on this job to act as Steward.

Weather conditions shall be an exception to the requirement for "show up" or reporting pay provided the Employer has notified the Employee by telephone or has required in writing that the Employee call before he departs from home. The Employer must provide a definite and available phone number and must post this provision on each job site. When Laborers are directed to wait during inclement weather by the Employer, his Superintendent or Labor Foreman, they shall be paid for such waiting time.

When placing monolithic concrete, an Employee's eating period can be adjusted, but not beyond one-half (½) hour before or after the regular scheduled time. Double time shall be paid if no eating period is permitted between shifts.

Any person other than a regular Employee who is called for temporary work for just a portion of one day, and who works more than four (4) hours in any one day, shall receive equivalent of not less than eight (8) hours' pay for said day, unless such Employee is prevented from completing a day's work because of inclement weather, in which case the Employee shall be paid for the time actually worked.

Side Letter #1

Should the JATC fail to agree upon the mandatory apprenticeship program terms by November 1, 2018, the Union and MARBA shall submit all disputed issues to an arbitrator mutually selected through the FMCS. The parties shall submit their written final offers on each disputed issue to the arbitrator no later than March 1, 2019, or as determined by the arbitrator, who may conduct a hearing or take written argument only. The arbitrator shall select one of the final offers on each disputed issue, which ruling shall be final and binding. The arbitration proceeding shall be completed no later than April 1, 2019, and the apprenticeship program shall immediately take effect.

Side Letter #2

Understanding the importance of verifying the prevailing wage under Illinois law and under the Davis-Bacon Act, the parties have agreed to meet during the contract term to develop a mutually agreeable procedure to provide information necessary to the Illinois Department of Labor to confirm the prevailing wage rate for work performed in the counties covered by their labor agreements.

Side Letter #3

This serves to confirm our discussions during the 2017 labor negotiations concerning Union proposal No. 4, accepted by MARBA, which provides as follows: *"Revise language to state "each hour worked by all Employees who are covered by this Agreement....."*

As we discussed, the intent of the proposal is to better enable the fringe benefit funds to seek contributions from those employers who may split hours worked by employees covered by the MARBA agreements; and further, that the intent is not to change which employees are covered by the Agreement. The parties also agreed that the language is not intended to permit employers to "buy" benefits for certain workers by having employees, otherwise not covered by the labor agreements, perform Laborers' work on an insignificant basis.

To that end, the parties agreed that the Trustees of the fringe benefit funds will formulate a policy that encapsulates the aforementioned intent of the agreed upon language.
